## Tallahassee Prime Timers

Dear Prospective Member,

Prime Timers World Wide was formed in 1987 to provide a social outlet for mature gay men. Individual chapters pursue this mission uniquely within their communities, resulting in a variety of club genres under the Prime Timers umbrella.

Tallahassee Prime Timers meet monthly in a member's home. The meetings are also low-key social events and a perfect introduction for new members. We hold at least one cocktail party or activity each month. Our modest membership dues cover only the cost of producing the newsletter and assisting volunteer event hosts. We are not a charitable or political organization.

This club is very much a product of its members, and as our ranks expand, our ideas for entertaining ourselves expand as well. Not every event has to appeal to every member, but the club must serve each of us fully, so that our investments of effort and funds pay off handsomely in fun and frolic. As a member, you define the club. The monthly meeting is a place to promote your interests, be they parlor games, pot luck dinners, wilderness trips, shopping excursions, or other entertainment ideas.

Your membership includes a free copy of the club newsletter, the Tallahassee Primer. It provides monthly greetings to new members, birthday announcements, details on club event locations and news of general interest. A subscription to our internal Yahoo group, providing a shared calendar and timely email announcements is also included. A free Confidential Roster provides the names, phone numbers and email addresses for members who have elected to have a free listing included.

Tallahassee Prime Timers protects your personal information. We will announce new member names and Birthday names in the newsletter, but otherwise your membership information is never shared outside of the club or printed in the newsletter without your permission.

We require that all members be gay or bisexual, male and mature. If you are uncomfortable around other mature men, you probably won't like it here. Also, since many Tallahassee Prime Timers events include alcohol, we require that members and their guests be at least of legal drinking age, whether they personally choose to imbibe or not. All Tallahassee Prime Timers events and meetings are open to males only by convention. If a host elects, he may open an event to the important women in our lives, but only with advance notice to the club.

If you meet the criteria outlined above, we extend our personal invitation for you to join and participate as a member of the Tallahassee Prime Timers. You may review the club bylaws on our public website at: <http://primetimersww.org/talprime>, or request that a copy be provided to you.

Best Regards,

Jerry Edwards, President  
Tallahassee Prime Timers
